PROJECTS

DSI Student Connect
Dayananda Sagar College of Engineering

📅 December 2022 – Currently   ⚲ Bengaluru, India

A one-stop platform for students to communicate with the faculty members and their peers, and also to get updates regarding various events happening around the campus. Its main features include:
- Real-time chat application using Socket-io for communication.
- Community noticeboard with an administrator login to give updates to students.

Communico
Dayananda Sagar College of Engineering

📅 December 2022 – Currently   ⚲ Bengaluru, India

A platform, focusing majorly on students going abroad for further studies to connect with the members of their community, find their traditional cuisines, and also get to know various travel destinations within their area. Its main features include:
- Real-time chat application using Socket-io for communication.
- Assessing real-time data for restaurants and travel locations using APIs.

Mini Project - Song playlist using Python
Dayananda Sagar College of Engineering

📅 December 2022 – Currently   ⚲ Bengaluru, India

A playlist for songs created using Tkinter in Python.
